Office of the R.L.A.

Under clause 18 of the lease, the village is to be held by one individual as an undivided property and is in cases of succession to be considered, as concerns Government, the property of the head of the family. As the proposal now is to transfer the village to Bai Kesarbai, i.e. one individual, there is no objection to the transfer even though she has tohold it in trust for herself as to 7/12ths and for charity as to 5/12ths.
